

Belt Drive Gas-Engine Series

Hot-Water Pressure Washers

North America's #1 Brand of High-Pressure Cleaning Equipment

Oil Fired

California Air Resources Board Verified

Trigger gun control with cool-grip and variable pressure wand

Hotsy DC oil-fired burner

Heater coil carries a 5-year warranty

Lifting eyes let power equipment do the hoisting

Heavy-duty roll-cage chassis protects internal components

50-ft wire-braided high pressure hose with swivel end

Model 965B is Powered By Honda GX270 Engine

- 18 amp charging system
- High efficiency cooling & precision lubrication systems
- Easy-pull start

POWERED by HONDA™

Control box with adjustable temperature control lighted burner On/Off switch and hour meter

Downstream detergent injection

8-gallon, removable, fuel tank has fuel gauge in cap

Hotsy-designed triplex belt-drive pump carries a 7-year warranty. Slower RPMs provide less wear and tear on the pump, and enables the pump to draw from water tanks.

Belt-drive pump - slower RPMs than a direct drive pump. Belt drive systems operate smoother, as the belts act as a dampener for vibrations and pressure spikes.

Model 965B: Oil Fired, 3.0 GPM @ 3000 PSI

Hotsy Belt Drive Gas Engine models are versatile; convert the standard trailer mount unit (above) into a portable unit with 2 wheels / 2 casters, a 4 wheel kit with flat-free tires or a skid unit for moving by forklift.

FEATURES

- 3 to 4.6 GPM @ 3000 to 3500 PSI
- Oil Fired Heaters/Belt Drive Pumps
- 12 Volt DC Burners
- Honda or Vanguard Gas Engines

Honda gas engine (shown with
optional caster kit)

Model 1080BE
4.6 GPM @ 3500 PSI;
Briggs Vanguard gas engine
(shown with optional stainless
steel coil wrap and skid rails)

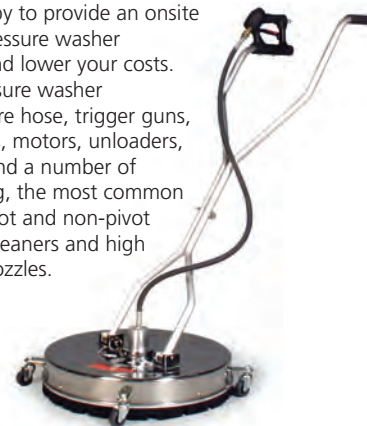

DON'T FORGET THE SOAP!

Hotsy pressure washers clean best when matched with specially formulated Hotsy detergents. Nearly all contain Hotsy's exclusive advanced-formula HCC additives to help prevent scale build-up and to fight corrosion in your equipment. All are highly concentrated, so a little goes a long way.

PARTS & ACCESSORIES

Your local Hotsy dealer would be happy to provide an onsite demonstration to determine which pressure washer accessories will help speed cleaning and lower your costs. Hotsy dealers stock thousands of pressure washer replacement parts such as high pressure hose, trigger guns, high pressure nozzles, pumps, engines, motors, unloaders, filters and wands. In addition, you'll find a number of accessories designed to speed cleaning, the most common accessories are telescoping wands, pivot and non-pivot hose reels, flat surface cleaners and high pressure turbo nozzles.

SERVICE & REPAIR

Hotsy has more than 175 local dealers in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Hotsy has factory-trained service technicians who will provide on-site maintenance for your cleaning equipment. Our techs have most common replacement parts on their service truck, and will quickly have your washer running smoothly.
